IMPORTANT INFORMATION REGARDING INTERNATIONAL PLAYERS PARTICIPATION (corona virus pandemic situation)

Dear international players and other attendees,

since the current situation with corona virus pandemic in the world is setting unique and unpredicted conditions which change from one day to another, the organiser of the tournament reserves the right to cancel international players participation if the conditions for their attendance at the tournament would not be possible due to valid limitations set by the government of Slovenia. The final information regarding this potential limitation will be announced at the last day of acceptance of the entry form for the tournament which is Friday 19th of June. The tournament will be organised in accordance with instructions of National Institute of Public Health.

We kindly invite all international players to send their entry form with this information in mind and act accordingly when making their travel arrangements. To help you plan your participation please visit an up-to-date list of countries for crossing the national borders with Slovenia with no restrictions at the following link <https://nijz.si/en/list-countries-crossing-national-borders-without-restrictions>

We hope and believe the situation will allow us to organise a safe and yet another memorable tournament

GREETINGS

Dear players, dear parents.

The game of golf is demanding, difficult and time consuming process. Young players need to attend school, study and invest a lot of free time for training and playing on tournaments. They deserve our respect and admiration. Their life is quite similar to adults working two jobs at the time. That effort deserves to be supported and that's the idea of IMP PUMPS – supporting the tournament we support effort of these young players trying to give them opportunity to play in the best international participation in our region.

But, please children, do not forget your parents who are crucial factors in this time consuming sport. They are your drivers, caddies, coaches, investors, supporters,... All of that at the same time. Give them your love and gratitude because they are very few people who are always on your side.
